“ *I'm so sorry to hear about Charlie. I know that the entire family will be lost without him. I hadn't seen him in a few years but he was always the same. He had that sweet smile and twinkle in his eyes. We had lots of good times together in our teens and early 20's with our "gang" that we hung around with. He was truly a very special friend that I will never forget.* ”

“ Charlie, you were such a blessing to all of us. I remember the first time I saw you, you were about 15 and working in the tobacco, and thinking that is my cousin and he has the biggest eyes I have ever seen. Through the years we both have gone out separate ways, but whenever we did see each other, it was like time had not passed. I am so glad that our "girls" are so close. My heart is breaking for all the family, as I know you will be missed so much. Melissa, and Jessie, I know that you are hurting and don't know what you will all do without him, but please know that you all are in our prayers and if there is anything that we can do, please do not hesitate to call. Hold on to all the happy memories that you share, and that will carry you through the hard times. We love you all!

“ *Lots of good memories during our high school years. A wonderful memory is I was sitting in a restuarant in Chillicothe, Ohio where I had moved to after the Air Force. In walked Charlie and of course I couldn't believe my eyes. He was in Chillicothe to work a shutdown at the local papermill. I hadn't seen Charlie since I had gone into the Air Force. Lots of good laughs!*

I wish peace and comfort for your hearts. You are in my thoughts and prayers.

“ *To the family: Tony and I shared so many memories with Charlie in our younger days. We went to the mountains many times together. We went to Disney and drove all the way to Key West one summer. He was always so loving to everyone and always had us laughing. Anytime we have seen him in the last 30 years he was always smiling and had hugs to go around. He will be missed by many.
