“ *Charlie lived in my neighborhood. He was so funny. I always used to wave and say when he drove by in his "sporty" car. Charlie, you will be missed.*

“ *Kari,
I think back at all the wonderful times our families shared. Life in Hemingway was so wonderful. We were all cared for and loved by our parent's friends. Your Mom and Dad were those people. I will always treasure the happy memories. I hope we can get together soon and share those good times. Thinking of you and your family.*

I was pleased to see Charlie join the S.C. Society of the Sons of the American Revolution (SCSSAR) while I was state president in 2009. . He and his family were members of our small Presbyterian Church in Hemingway. I remember the night his son Dennis was killed in a car crash. Dennis was only a year younger than I was and we played football together. Charlie and I had shared emails for a while but hadn't heard from him for several years.
