“ Greg and family,

Marty and I want to extend our prayers and love to you and your family at this time of loss. Both of us have lost our fathers and know the mixed emotions of letting them go. Your family are what we call in UCLA the salt of the earth. I am so thankful I was able and took the time to stop and speak to you and your dad at Waccamaw recently. He was one of kind. We will miss him and we know many others will also.
