“ Our AHS Classmates always teased Cheryl using her maiden name "Dahl" because she was just that... one of the "dolls" in our Annandale High School Class of 1963. May she rest in peace and may her granddaughter know that she was loved by her classmates.

Thanks Thomas for writing that tribute to Cheryl. Great picture at our gathering in South Carolina of our alumni. We did play well together! With her Norwegian background and my husband Mark's Norwegian background they had a lot to talk about. She taught Mark how to say "Many thousand thanks!" She was a very kind person and will be missed.
