

Cheryl Ann Volpe

June 2, 1950 - February 28, 2023

Conway...

Cheryl Ann (Griffin) Volpe was born on June 2, 1950 and passed on February 28, 2023, surrounded by her loving family. She leaves behind her husband of 52 years, Paul, two sons Christopher and wife Chrissy and Brendon and wife Erica, along with three beautiful granddaughters who held a special place in her heart, Parker Amelia, June Adelaide, and Mason Letts.

Cheryl was born in New Britain, Connecticut and graduated from Pulaski High School in 1968. In 1976 she moved to Southington, where she lived until 2014 when she retired to Conway, S.C. She spent her career at Bank of America, balancing her busy days with the loving care and support for her sons in all of their activities, volunteering at school functions and attending their games. She was an avid golfer and an active member of both the CWSGA and SCWSGA, who proudly recorded three hole-in-ones. Happiest as a host, she loved bringing family and friends together for holidays, birthday parties, and backyard barbeques. She enjoyed cooking in a din of conversation, laughing through an afternoon, and closing a night with a warm cup of coffee, playing cards at a table surrounded by the people she loved and who loved her.

The daughter of Irene and John Griffin, Cheryl leaves five siblings. Three sisters, MaryJo (Gary) Shettle, Leslie (Matt) Rotondo, and Jayne Marie (Brian)

Pampuro, and two brothers Kevin (Faye) Griffin and Craig (Sandy) Griffin. Her extended family includes two sister in-laws, Doreen Contino and Diane Harper, a brother in-law, Dennis Volpe, eleven nieces and nephews, and many friends and former colleagues from Connecticut and South Carolina.

"I found her in the shining of the stars. We look at the night sky in the quiet darkness, and they are never far. Those we loved and cherished, those who have changed our lives in some small way are closer than we know, because it is their light that shines on. It is the brilliance of their souls that lets the night sky glow." - Tennyson

“ Tears, tears in my eyes. I haven't seen Cheryl since possibly the 50th class reunion, but have thought of her many, many times over the years and of her husband Paul. I was on the Pulaski cheerleading team with Cheryl, holding her up on our knees as she grinned that big grin of hers at all the Pulaski kids in the stands. So much fun. That she found the love of her life in Paul is another thing I often think about. What a joy that must have been to have had 52 years of love. I remember her speaking of Paul as if they had just been married. God is good. My condolences to Paul and her family and her grandkids. That is some wife, mother and grandmother to be missing for sure. Love is never lost. God is love and love strengthens, heals, protects and forgives. Happy journey Cheryl, I am sure you are flying.

“ Paul and family,

I met Cheryl when I first attended T Jefferson school in 4h grade. We became good friends while attending Washington Jr High and during the early years of High School. We share many memories together during that time and I will always remember her smile and her athletic ability as far back to Jr High school. The photo in our yearbook of Cheryl and other classmates trying to all fit into her Volkswagen comes to mind whenever I think of her even though I was not there.

As we were all married and moved on with our lives I was quite happy to spend time chatting and catching up with her at our Pulaski Reunions and from that keeping in touch every so often through emails.

Wishing you, your sons and their families Peace to bring you comfort, courage to face the days ahead and loving memories to hold forever in your hearts.

God Bless you all,

“ Sheryl you were always sweet and cordial. Your beauty always stunned me. Although we were apart from each other I was always proud to call you cousin. May you rest among the family that awaits you when you arrive in heaven. I'm sure they will greet you with open loving arms. We are sad you had to go but glad you ran the race with love and dignity.
