“ Dearest Ron, Bonnie & family, I am just now discovering that our dear "Ms. Kinney" has reached her heavenly reward. I was a student at Joyland in the 80's and fell in love with her then, and maintained contact with her throughout the years. She was such a dear lady with a bubbly personality. I went to church with her and spent time with her as a friend. I admired her tenacity and work ethic and love for people. I always looked up to her. She was such a special lady with a flair for fashion and always a beautiful smile and contagious laugh! She will be missed by many along the way, but thankfully, through our faith in Jesus Christ, we will all be reunited again! I love you forever and a day, Ms. Kinney! God bless you! See you soon! “ Miss Chloe went out of her way to make me feel welcome in the Belin Choir and she was such a warm and friendly lady to someone who was from Oklahoma . We joked how we were both from the Texas-Oklahoma area and we just got along so well! I will truly miss her and I always admired her for her formidable strength and desire to always keep going!!!! She was a strong woman and I loved her very much I will miss you Chloe!
