“ Candi, Randy, and Beverly Family, like everyone else, I was so saddened to hear of Choc's sudden death last week. I, too, have so many wonderful memories of growing up in Conway and playing basketball with Choc and then watching "Flat" continue the Beverly tradition as a great BB player a few years later for the Tigers. Even though I have been in Columbia for over 35 years, Conway will ALWAYS be home for me, and I just want all of you to know that even though years and miles may separate us, you are each in my thoughts and prayers during this sad time as you transition to life without Choc, and it is of great comfort to me that we will see him again. God Bless each of you and keep the wonderful memories close to your hearts. An old friend in Columbia, Coke Floyd###imported-begin##Coke Floyd###imported-end##

“ Candi, I was saddened to learn of Choc's passing. He was younger than me, I was closer to Don's age, so we didn't have a close relationship. It's hard to get around to see the Cousins anymore. My daddy was Phila's only brother.###imported-begin##Larry Vaughn###imported-end##

“ Annie, We are so sorry for your loss. Loosing a parent is a pain that
compares to no other. Unfortunately there comes a time for all of us
to realize that we must spend our days without the ones that have
given us the most memories. However, we should rejoice in the
knowledge that they are with the ones gone before them enjoying
more memories. Our thoughts and prayers are with you and your
family. I pray that God will reach down and touch your heart so that
the healing process may begin.##imported-begin##Karen
