“ Dear Joy, Jennifer and Bryan, I remember well the kindness and generosity of Virginia. She was a good friend to all and loved children. She had that rare ability to laugh at herself and always laugh with you. My heartfelt sympathy goes to her family, especially Joy who has stood by her Mom's side and done all that a daughter could possibly do. And to Don who has not been feeling the best himself, but has always supported Joy and Virginia with his sense of humor and determined spirit. May God lift you through the grief as Virginia lives in your memory and hearts.##imported-begin##Joan Allen##imported-end##
