“ Mr Arnold, as he was known to me (I am a good friend of Pam and Kim), was a wonderful person in my life. He was always full of encouragement, no matter what activity we were involved in. He was interested in our friends and the paths we chose in our lives. I had a lovely visit with Tallie and him in Seattle about 25 years ago and we got caught up on our lives, and for me, the first time as an adult. He was just as supportive of my career, life and family as he was when I was a kid. Mr Arnold definitely made the world a better place.

My thoughts are with the whole family. Karen

“ Dear Pam, Kim, Chris, and Matt -

Just a note to let you all know how grateful I am for our shared lifetime and the memories I carry of your father. I'm so sorry you've now lost him too. My mind is flooded with decades of memories and adventures created for us by your folks. In my mind it's mostly starting in Hopatcong, but I'm struggling to separate one to post. I hope everyone finds comfort in the fullness of his life, their own shared memories, and knowing that he is at peace. Please let me know if there's anything I can do.

*Much love to all of you,
Phil*
