“ Susie and Brooke, I am at a loss for words. My fondest memories of Georgetown was our time spent together. We had so much fun. Chris made this world a better place and especially our time together at IP.

“ Susie and Family: My prayers are with you during this very difficult time. Chris was a very special person. I enjoyed the time spent with him when he served on the Board of Directors of Georgetown Kraft Credit Union. He was very smart, compassionate and fair individual.
