“ *I was posting a tribute to a friend who passed also recently and noticed Chris Royal's obituary and saw how young he was. Why our loved one's are taken so soon at times, and some of us seem to live forever. My heart goes out to his family. I hope his memory remains in our hearts for eternity. I can't imagine your pain, I hope God gives you comfort through this difficult time. He seemed a wonderful man, Until we all meet again with the Lord, God bless you all.*

Later I worked at North American Institute of Aviation and came back in contact with him again, He is/was a great person with a great personality. He always wanted to fly and did....now he can fly forever..cause now he is an ANGEL!! This has greatly saddened me, but I know that he is able to fly with no pain and that what matters.. God Bless ! <3

“ *To the Royals Family:*

The death of a loved one is always devastating, but especially so, when that one is so very, very, young. Hold tight to cherished memories....Lean on each other for support....And look to God's Word, the Bible, for comfort and strength. James 4:8 encourages; "Draw close to God, and he will draw close to you."

*My condolences,
SJB.*
