“ Uncle Chris was on the list for us to come visit this March. We were shocked and very saddened to hear about his passing. I remember Uncle Chris fondly from when I was a kid visiting our family in Conway. I regret being so disconnected from my family there and I wish I could've given him a hug 1 more time. I hope he has found peace. To my 2 cousins who lost their Dad, you are in my prayers daily. I pray for healing and resolve for them, my Aunt, Gammie, and my Dad all who need the kindness of people now more than ever.

“ *We are heartbroken! We met Chris many years ago at the Summit and immediately had the most respect for him. A super great guy that loved his girls, he spoke often of them and his mother. He will be missed!*
