“ I just went to send Cindy a message on her Facebook page and saw all the sympathy notations. I am shocked...how sad she was so young. I didn't know her very long and really kept in touch by phone and Facebook. I know she loved her children and grandchildren very much. My deepest sympathy to her mom and dad and family. I wish I had known I surely would have come to the memorial service.##imported-begin##Lorelei Strickland##imported-end##
