“ Cindy, you went to soon. The world works in such strange ways. I have never seen you happier than I have the past few months. You and I had a rocky start, slowly but surely you loved me as if I was one of your own children. I can't say that I have ever met a person like you. You helped me through the loss of my father, you would always come over and help Candice and I whenever we needed it, day or night. I am going to miss all the little things that I took for granted, the gifts that you gave from heart, birthday cakes, meals, easter egg hunts, calling and singing to me on my birthday, and just spending time with you around a bon fire. You were 1 of a kind. I know you are looking over the entire family right now. Just know we are all thinking of all of the great memories we have of you. You are already greatly missed.....Love, Lennie

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”
