“ *Greetings to all who loved Cindy,*

It is my honor to have known Cindy (Barbarino) Hopkins as a beautiful soul in this world. Cindy was a contributing person to everyone who was in her inner circle. She would extend herself above and beyond for those who were a part of her life. I know she will look upon those who cared for her with love, admiration and respect until we all meet again.

My sincere condolences to the family for your loss of a remarkable person who, when you look back, will always bring a smile to your heart and soul.

“ *Ric and Granny, please know I am thinking of you, Bonnie, all your family and friends at this sad time. When I would come to visit Koni, Cindy was always gracious, warm, and welcoming and loved to have us come visit. It is so painful to lose the ones we love, especially when we are unprepared.*

“ We are mourning Cindy and send our love to the family. It does not seem possible that Cindy is not with us...the mind cannot accept the reality yet. We will always remember Cindy's smile, her bright eyes, her huge personality and her generosity which was bottomless. Tracie and I were the beneficiaries of her love and kindness on too many occasions to even try to count. It is a debt we can never repay. Truly a unique soul she did nothing half way. We hope the memories of the fun we all shared with Cindy will soon replace the hurt for everyone. God bless you Cindy Hopkins. You were one of a kind! Eileen and Tracie
