“ I am so sadden to hear about the loss of Claire. I met her almost 9 years ago as my sales agent @ Marriott Ocean Watch. I always looked forward to talk w/ her about how our kids were as well as laughing & just enjoying each other's company. This year I feel such an emptiness not being able to talk w/ her. Last couple years when she went to Real Estate we talked by phone. One thing I will always remb about Claire is that she really loved her family. She was so excited about the wedding of one of her children as well as the birth of her grandbaby! Claire, I know you are now w/ our Lord Jesus! Although we miss your smile & energy may you rest in our Savior's Arms!

“ Although not a close friend, I went through the Seaford schools with Claire, and just recently connected on facebook. I am so sorry for her family and loved ones. I know she will always be with her grandson in spirit, as he was the apple of her eye.

“ My thoughts and prayers are with Claire's family. Claire was a very special woman - strong, generous, and kind. I'll always cherish the memories of good times spent in Claire's company. When she smiled and laughed she brightened everyone's spirit. Indeed heaven has one new angel. Until we meet again Claire - rest in peace.

“ Claire was such a wonderful person and she had such a big heart! She was always baking her co-workers and customers at Marriott wonderful goodies. I absolutely loved her "full of life" spirit, her laugh, wonderful cooking and her hippie beaded curtain by her cubicle. My heart goes out to her family, she will be missed by so many.

“ I met Claire almost 10 years ago at work here at the Marriott and we quickly became great friends; I thought of Claire (Clairise) as a sister and a best friend; she was one of the most naturally gifted sales talents I have had the pleasure to work with and everyone she came in contact with instantly loved her passion and love for her family. I will miss Christmas Eve with Claire and her family and mine and my wife's thoughts and prayers are with Ali, Brian and Danni and the rest of her family. We know Claire is with God holding a rosary and smiling from ear to ear because one day we will all be together again.

“ What a spirit our friend Claire had...now that spirit lives on with us! Amazingly, we, her Marriott family, share memories of laughter and joy...hers and ours for knowing her. My bet is as her Spirit floated into heaven , it went through the "hippie beads" of her cubicle space. Much love to her family...thoughts and prayers.

“ To my spicy, fiesty, full of life girlfriend, Claire Bear. Once you met Claire you could not help but just love her! So passionate and expressive about all aspects of life, especially her family. She would just light up when talking about her kids and new grandson. When you were with Claire you felt like you were on this great roller coaster ride. Up and down and all around.....so much fun.....what a great ride my friend. I will so miss you. You will always be in my heart.

My heart, thoughts and prayers go to all who loved her.
