“ Dear Bonita and Reginald: Please accept my deepest condolences in the passing of your wonderful Mother. She was a true Southern lady in every sense of the word. I will never forget our childhoods together and the special friendship our parents shared over the years. I still cherish the photograph of your Mother and me when she held me as an infant and the one where we stood outside her home in the exact spot some fifty years later for another photo. With all my love, Gerald###imported-begin##Gerald Mishoe###imported-end##
