“ *To Kathy and Family,
Though I did not know your mother directly, Kathy spoke so lovingly of her throughout our many years of friendship. She clearly was a loving and resilient person. The love that you share as a family, and with your individual families and friends, is a reflection of the foundation your mother and father created. May your numerous and wonderful memories eventually fill your hearts with joy, which may now feel so heavy and yet hollow.
My deepest sympathies, Jessie Munn*

I send you my thoughts, prayers, sympathy and most of all all my love.

Jack and I loved Clare and Joe and appreciated their many kindnesses and all the wonderful times we spent together as a Family. I think the whole Hayes Clan is celebrating together right now as only the Irish can !!!

“ *Dear Maureen,
Kerri shared with me the loss of your Mom and I wanted you to know that I am so sad for you, my friend. I know Gary probably knew your family better than I and I know that if he were here today he would just wrap his strong arms around you. I've always admired your zest for life, a brightness about you, maybe it's from your Mom, I don't know. But I hope that it will stay with you forever. I am so sorry for your loss.
With love, Robin Emery*
