Indeed he did love all our family and was by my side whenever anyone needed our assistance. He was always so excited when Jim and Deb were in town because he enjoyed the company and they loved his Bandit, even took him to Florida to visit..

“ *In all the decades of knowing Clarence, I can't remember a single time when a harsh word passed his lips. He was a totally loving and caring human being. He treated everyone with respect and kindness. There has never been a finer human being on this earth, and the world is a bit less without him. Love you dearly, Clarence.*

I witnessed Clarence with Gail showing love in action during the several times they helped their very close friend, Dale, with events at Christ Community Church in Conway. He was always kind and patient and the type of friend that went out of his way to be supportive when it mattered. Many people were blessed by Clarence. I'm praying for his family in their time of grief.

My Uncle Clarence was like a brother to me growing up. He lived with my family until he was married when I was 10 years old. He was always special and I loved him very much. Even though over the years we were not as close, he will be missed very much. Brenda Janco, Dubuque, Iowa
