“ Really sorry to see Clarnece depart us. I worked with him form several years at Ingersoll-Rand. He was especially helpful with I first hired on in 1972. Alway had a smile and hearty greeting and displayed true professionalism. A true gentleman. He will certainly be missed.##imported-begin##Jack Dickson##imported-end##

“ Clarence was always a delight to be around. He was also a great inspiration to me. During the recovery phase from the tree falling on me, Clarence came to visit and began telling me what I can do to get better and he reminded me that he was speaking from experience. I hope God let's him play on His team whatever position he wants on the basball diamond. Dan##imported-begin##Dan Kervin##imported-end##

“ Clarence and Cookie were my landlords when I rented the back apartment next to Granny Cat. I also remember going to ceramics in their basement and still have many of the items I made there. They were very good to me.##imported-begin##Judy Hockenberry Reagan##imported-end##

“ So sorry to read of Clarence's death. Rod and I lived in Addison for many years. I went to cermacis at Cookie and Clarence's home. Always had a great time there. Clarence would paint "eye's" for me . I still have many things I made there at our home . We saw Cookies and Clarence on the beach one time when were in the area.
