“ Dear Mrs. Gottlieb, I was so sorry to hear that Mr. Gottlieb had passed away. He fought on through the most challenging circumstances, always retaining his glorious sense of humor! And you were the unwavering support at his side. I thoroughly enjoyed caring for him, and my life is richer for having known you both. My prayers are with you and your family - it was clear to me you loved him dearly, and I hope you can find some measure of comfort in good memories and the company of others who loved Mr. Gottlieb.##imported-begin##Colleen Lamar, RN, ART 4E, MUSC##imported-end##

“ Carole, Heidi and I were greatly saddened to learn of Clark's passing this past weekend. We will always treasure our get togethers here in the Myrtle Beach area after we all ended up in the same retirement location. My friendship to your husband dates back to the mid-1970's when he was employed in Silver Spring, MD as Herb Gordon's Sales Manager. I could always count on Clark for straight answers to all business issues and it was indeed a pleasure to deal with him. We will remember Clark and you in our prayers.
