“ Sorry that I can not be there with my family, but be assured in the quiet moments & when the hurt is almost too hard to bear, may all of you know how much you are in my heart with the memories of my Sister, who was my hero, confidant and so much more. Remembering when all of us would get together and sing, I can hear her Soprano voice and see little mouth with a gentle smile now. The family holidays of her Blackberry cheesecakes, rolls and every thing good. She had promised that one day, we would grow old and live together once again, but we will, because nothing can take away my loving precious memories in my heart for "My Sissy"##imported-begin##Patricia Edwards Howard##imported-end##
