“ My condolences to the Debusk family. I know this is a difficult time and I pray God continues to comfort and strengthen the family during this time of bereavement. May the many loving and cherished memories of Clea continue to comfort her family and friends. A comforting thought to keep in mind is at 1 Peter 5:7 "while you throw all your anxiety on him, because he (GOD) cares for you." May you all have calming and pleasant thoughts during this time.
