“ Cleo is my lovely sister. She was a wonderful sister and helped my mother raise us. Me and my brother would do things while mom was gone and fight her at times. She would straighten us up. Sorry we gave her a hard time. She was like a mother to us growing up and I will miss her so much. She will be in heaven with my daddy, mom, and my sister Emily. What a happiest they are having with the Lord. We will miss her, but we all know we can meet her in heaven by accepting our Jesus. I will be praying for all of us to be ready to meet him at our time to leave this world and go to the best place. Love to all. Dessie Wright

“ *Miss Cleo as I call her was a good friend of mine. I felt like she was my second mother
I felt so close to her my mother passed away 8 years ago. We took trips with park & Planning , she introduced me to her friends at red hats and we also went to diabetic class together. Some days we just sat in her living room and chatted those were the best times, She told me about her family she sure was proud of them I loved listening to her talk and she showed me a lot about my new home in Conway. I will surely miss my friend but she is up in heaven with the God she loved so much some day I hope to see her there.
LOVE YOU MISS CLEO

My memories of you are precious to me. My favorite time of year was summer when you and Wayne and my niece and nephews came down. Such good times Mama never cried until you left then she went in the bedroom and cried. I remember one time when I was under the old house crying and you came looking for me. You knew I was sad that day. You looked under the house and so sweetly said " you have had a bad day I have icecream and the spiders are gonna bite you". Needless to say the spiders didn't scare me but the thought of icecream was enough to cheer the saddest of days. I am missing you yet I know that reunion in the heavens is where you are. our circle won't be broken. Fly high until we meet again. I love you Sister! Your baby sister...

*Dessie and family,
My sincere condolences yo all of you on the loss of your sister. I've heard you talk of her so many times when I worked with you. Know she will be missed by you and your family and friends. She sounded so much like a wonderful outgoing lady even though I never met her , I felt I knew her personally thru you. God Bless you during this special time of sorrow! Know God is with you and loves you! I love you!*
