“ *Lela and family, I did not know about Cliff's passing until later and was glad to see this site. I am so sorry, I still can't believe it. I had mentioned to Dee about us coming down to see ya'll, but she can't ride too far these days. I will always remember Cliff as a loving cousin and always seeing you two together always. I am going to go through Daddy and Dee's pictures and send you some just in case you don't have them already. My prayers are with you! Love you!*

“ I'm sorry I only knew Cliff for a short time. At the time of the first Fieldale Festivals his help with all things connected to directions, parking, etc were so appreciated. He was a very hard working man. Praying for Lela and the family now...
Love you
