“ Brian, sorry for your loss. I only got to see him a few times but every time he was always so jovial, smiling and laughing. I could tell you both enjoyed each other's company.

*I remember even before I actually met your dad, we were following you and him to the races in New Hampshire and he paid for my tolls all the way there, then at the racetrack he bought me my first souvenir (the SPAM car).*

*I know you have and will cherish all the wonderful memories of the times spent with your dad.*

*Thinking of you, Dave.*
