“Cliff spent generous amounts of time sharing his wisdom, knowledge and stories with me when I worked with him at First Virginia. I learned a great deal from him, and he was my friend as well as my boss. My deep sympathy to his family and all who knew and loved him. - Pat Pei

“Cliff and I were college classmates at Lynchburg College. He was a great guy and wonderful fraternity brother. I think I only saw Cliff once since we graduated and that was many years ago. I was very much looking forward to seeing him at our 50th class reunion in 2021. My deepest sympathy to Cliff's family and friends with this great loss. - Gene Frantz
