“ Our Friend we will always remember your laughter and your love of animals and being outside at one with nature. We hope and pray that your soul is at rest and all your sorrows have past. You were loved and we will miss you terribly. We wish we had done more to help you.##imported-begin##Katie and Buddy Brown##imported-end##

“ Since I did not find my first guestbook entry I do want to say that Cliff will be remembered for his love of nature and animals that we discussed many times. My husband and I knew Cliff for many years when he used to ride his bike with his beloved dog Gizmo in the carrier. Since my husband died he helped me with some carpenter work. I will always remember Cliff for his kindness. Hope he is at rest and out of pain now. Joyce##imported-begin##Joyce Turco##imported-end##
