Jamie Jones

I'm not sure if you or your brothers and sisters were ever aware of my and my twin sisters existence. Cliff was however our biological father! I did not know him but I wanted to say I'm sorry for your loss. I wish I could have known him.

“ Lisa and family Please accept my heartfelt sympathy on the passing of your father It is very hard to deal with at time but read this poem it will help. Love ya! What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.###imported-begin##Renee' Montgomery Eanes###imported-end##

“ *Carey, Brett and family, Please know how sorry I am for your loss. I've known your Grandpa, for what seems like most of my life, around the Inlet with all the other fishermen. And, then to have become the dearest of friends with your Mother years ago, only to learn he was the Grandfather of you two wonderful boys...wow, what a small world it turned out to be. May God hold your family close and in the palm of His hand as He comforts you during this time.##imported-begin##Diana Johnson Saults##imported-end##*
