“ Dear Shirley (and Bob)..... I am thankful for the blessing of knowing you and Bob and some of your immediate family. I am also thankful for the priviledge of meting your Dad. You and your families hold a special place in our hearts, and I mean SPECIAL...This year has seen the passing of many family and friends and at times, I long for the good old days and memories..But we know that Jesus has us and those he has called home, in his care..So I join you in longing for that precious reunion we know will take place on that day..We share your heartbreak and your hope and faith.....Greg and Kay Walters##imported-begin##Greg & Kay Walters##imported-end##
