“ Clisby M Jennelle III, Perhaps God brings so many people into our lives so that when we come across a truly great person you can appreciate them. My life, and the world is a better place because of Clisby. I am proud to call him friend, and take comfort in the fact that for reasons beyond my ability to comprehend, the Lord decided he needed him. I know Clisby is in the arms of the Angels and all of the grace of the sun in it's journey through the heavens. I am honored to have known him, & more so to call him my friend.
