“ Jimmy RIP, we shared so many, many good times and bad. My best memories are the trips we took to PR, Costa Rica, Hatteras and surfing at the park. We have been through so much over the almost 20 years that I have known you at work and play. Words cant describe the shock, sadness I have felt since March and I know you are now in a much better place free of the pain you have been in over these last few months. I will praying for your family that they will recover from this sudden tragedy. Jamie Candis Judy, The Tuttle's###imported-begin##James Tuttle###imported-end##
