“ *To the brothers's and sister's, I am so sorry about the loss of Clyde,I wish we could be there. Our thoughts and prayers will be with each and everyone of you. I know what it feels like to lose a brother and it's something that is hard to bare, but just think he is having the best time with Uncle Click and Aunt Lucille, my mom (Carol) and Kenny sitting on a river bank fishing. We will miss him, and we love you all very much. Just try and think of all the good times and laugh's we had growing up with each other.
