“ So very sorry for your loss, Pat, Gene, Talley, Ginny and family. When Alex was at Georgia Railroad Bank I was his administrative assistant (secretary) for several years before he was transferred to Commercial Bank. We had some fun times, he was a pleasure to work with and was a Southern Gentleman in all respects. I cherish the memories of those times and pray for peace and comfort for each of you. “ To the family of Alex Spivey, please accept my sincerest condolences. I graduated from Conway High School in 1961, and was a member of the CHS Band all four years. At the end of my freshman year, we had Summer Band Camp, at the high school. Alex was attending college at the Citadel and came back to Conway that summer to assist Mr. Bill Miller, CHS Band Director, with our week of summer camp. Also, along with Alex from the Citadel, was Col. Friedman (spelling ???), who was band director there, to assist our band camp as band director during that week. All that was a long time ago, but I remember it like it was yesterday. Thank you, Alex. May you rest in peace.

“ I worked with Alex starting in 1969 at Peoples Bank in Conway. At that time, Mr. c.A. Was still at the bank, also. I was 18 years old, right out of high school. The last time I saw Alex was at the Citadel. My son was a student there and I happened to see Alex sitting on the parade field. I went up and introduced myself. It had been MANY years since we had seen each other. My deepest condolences to all his family.

I began my banking career at Peoples National Bank in 1966, having been hired by Collins Spivey. I worked for Mr. C. A. and Mr. Alex for several years through the merger with C & S National Bank and continued my journey to retire with Bank of America after 31 years. There are so many good memories and fun stories of those early years, and I feel honored to have had those gentlemen as my first two 'bosses' with the bank. My sympathy to the Spivey family.
