“ Dear Steve, Robyn and family, I am a cousin from Michigan Tincy's daughter and was shocked and saddened to have received the news of your loss from BobbieJean this evening. I remember Collin playing with my own son, Justin, at the family gatherings we've attended in Loris. I lost my older brother in January and while mourning his loss, I realize that he is in a better place....as is your dear Collin. I read his obituary and the local paper article online and see that he was a much loved and talented little guy. May he rest in peace in Jesus' loving arms. Take care and know that my family's prayers are with you. The Piotrowski Family Tammy, David and Justin###imported-begin##Tammy Piotrowski###imported-end##

“ Robyn and Steve, There are no words that can truly express how sad Thomas and I are over the loss of Collin. He was a GREAT KID! We will miss him ridding up in the driveway, listening to his interesting comments, hearing the music as he rode his golf cart, and the list goes on. There is one time I will never forget. Several years ago the door bell rang just as I was walking in from work. I went to the door and there stood Collin. He looked up at me and said, "will you play with me, I have been all over the neighborhood and can't find anybody else". We will never forget him. You are in our thoughts and prayers. Please know that Thomas and I are here if we can do anything for you. We love ya'll and feel blessed to have such great neighbors!
