“ I used to work with Connee in the 1980s, early 1990s at the Antitrust Division, Department of Justice in Washington, DC. She was kind and sweet and always had a bright smile on her face. She loved her cats. We were sad when she left DOJ. We hooked up later and exchanged Christmas cards. The last one I received was in 2013 when she mentioned her health issues. Thinking of her today (9/23/15) I Googled her and found that she had passed. I hated reading this but glad she is not in any more pain.
