“ My heart was saddened to learn of the loss of a very special friend. Connie and I shared so many memories through years and I am grateful for each one of them. There were many laughs and some tears as well. So thankful that she was in my life. My thoughts and prayers are with the family, whom I, also, love!

“ Thanks for sharing your friendship over the years especially the years we were next door neighbors. We had some much fun playing with our dolls, then later on you trying to teach me to play the piano. I was awful but continued to help me. You were a wonderful playmate and friend. Thank you for being my friend. You will be missed.
