“ Connie was a good friend. Her smile was sweet yet sassy as was she. We had many conversations. She talked about Soddy DAisy and her interesting job in the government. Did you know she could tear down a piece of military equipment and put it back together...and over the phone. She knew her stuff. We enjoyed cards and many lunches at her home. Now she can play cards with Nancy C. forever. Duane, you were so supportive of her thru all her illnesses. Bud and I are only a phone call away. Forever in our prayers and always in our hearts.
