Constance Marion Alger

(Retired Lt. Col., USAF Nurse Corps)

February 14, 1952 – November 28, 2024

Constance Marion Alger, known to all as Stacy, passed away on Thanksgiving Day, November 28, 2024, after a hard-fought three-year battle with cancer.

Born on February 14, 1952, Stacy lived a life dedicated to family, service, and community.

She is survived by her devoted and loving wife of 43 years, Barbara Lee Williamson; her two caring sisters, Deborah Knudson and Nancy Twynham; and many beloved nieces and nephews. Among them, she cherished a special bond with her nephew, John Williamson, and his family.

A lifelong nurse and educator, Stacy was a Family Nurse Practitioner with an MSN and MEd to her name. In addition to her career as an Air Force nurse, she cared for countless individuals as an Horry County home health nurse and as a nurse practitioner specializing in pain management for over 10 years. After retiring from clinical nursing, Stacy gave back to the profession she loved by co-founding the Alger Lee Advanced Practice Seminars with her wife, Lee.

Stacy was a true dog person (some even called her a “dog whisperer”), especially Miniature Pinschers, Pugs, and her rescued Walker Hound,

Fantasy. She shared her love of dogs through the Myrtle Beach Kennel Club and served a term as president. Stacy was also an avid Mah Jongg player and always looked forward to her weekly get togethers with the local club. She was a proud member of Georgetown County Drinking Liberally, the Surfside Moose Lodge, and a former vice commander of the Murrells Inlet VFW.

Stacy's warmth, wisdom, kindness, and gentle good humor will be profoundly missed by many. She was deeply loved.

A celebration of Stacy's life will be announced at a later date. In lieu of flowers, the family asks for donations to a local animal rescue or a veteran's organization in her honor.

“ I was searching for your seminar in May and was so saddened to find out about the passing of Stacy. I have been attending the seminars for several years but due to health issues missed the last 2. I am so sorry for your loss and wanted you to know how much I have enjoyed such wonderful seminars and have learned over the last several years from them. I am grateful to you both and certainly will miss Stacy! She was certainly a wonderful person and brought so much energy and enjoyment to the seminars!
