“ I have known and loved Connie for many years . We worked together at Conway Hospital and she ended up helping deliver my daughter and then my son . Little did we know that her grandson Jacob and my son Zach Jones would become best friends. Through the years Connie and I got to spend lots of time together because of events , soccer, chorus that both the boys shared. Connie was a wonderful wife, mother, grandmother and friend! Connie will be so greatly missed. We love you Connie from the Jones's.
