“ *Connie was a radiant light in our lives, a gentle spirit who brought joy to everyone she met. Her laughter was contagious, and her kindness knew no bounds. She had an innate ability to make anyone feel special, often remembering the smallest details that made each person unique. Her passion for gardening was a reflection of her nurturing soul. As we honor her today, let us carry forward her legacy of love and kindness. Connie may no longer be with us in body, but her spirit lives on in our hearts and in the countless lives she touched. Let us remember her laughter, her warmth, and her unwavering belief in the goodness of people. Thank you, Connie, for the beautiful memories. We will cherish you forever.*

My name is Kathleen Drake Harless. Connie is my cousin. May her family be comforted during this time of their loss. To think that all this time has past without a letter or a card is sad. I am very sorry that I never took the time to laugh or cry with my family. May God comfort you all and give you peace. Love your cousin Kitty Drake. Chris has my phone number if you want it. Love to all.
