“*Connie was my friend and neighbor and I will miss her bright blue eyes and sharp intellect. The members of our rug hooking group loved her dry sense of humor and quick smile. She was an independent and fiercely private lady who lived her life on her own terms. It was my privilege to help her during her illness and it will be difficult to see her empty chair when our Waccamaw Woolies meet in the clubhouse.*

“*My back door neighbor Connie was one of the sweetest people I know at Moss Creek. I never ever heard her say an unkind word about anyone or complain about anything around the neighborhood. Connie was very a very quiet and private person who had such a gentle spirit. We would always delight in the flowers during the spring and summer. I will miss our backyard talks and miss seeing her. I'm glad she is at peace now. She is an example for all who knew her. She was a blessed person. Ava T.*
