*Very beautiful tribute to Corey, & family. Corey had love for his family & friends, specially for Maegan, Raelynn, Jackson. They were the completeness that Corey needed after losing his momma. There is & was so much love in this pictures, that will carry through our the days he can't be here. Something his children will cherish each and everyday. Corey you were a awesome young man, I'm glad I got the pleasure to watch you grow in to the man you were. So much life to yet to live. There is not enough words that describes what type of friend, you were to all that loved you. May you rest with the arms of the angels. Your family is in my prayers for comfort, & strength. You touched so many lifes. My little Hunter & Natalie loved you so so much, They will forever miss their uncle Corey. May you rest in peace my friend.*

*Corey came into our lives when he was a teenager. We shared so many laughs, and some tears. He became a son to me and I love him. The last time that we had spoke, I told him that it was time for him to become a man. I'm so happy that he found his way, and the love of his life. We will miss you for the rest of our lives until we see you again. We pray that his beautiful family find comfort in knowing that he is safe in the arms of our lord Jesus Christ. “ ONE OF OUR BEST MEMORIES was on one of our many trips to visit Corey and Maegan, was when we took the Raelyn and Jackson (I believe Jackson was 1 yr. old). We all went to a bounce and slide area in a mall. I believe Corey and Maegan had more fun than the kids. they both tried to see who could do the highest flips in the bounce house. It was a great memory for Nana Jan and I.

*As one of Corey's Sunday School teachers and youth leaders at Christ the Servant Lutheran Church in Conway, SC brings with it so many wonderful memories of Corey's contagious smile, his mischievousness, as well as his willing to help anyone at the church. The last time I spoke with Corey he had called me to ask me to come back to church as I hadn't been in awhile. I had the opportunity to tell him how proud of him I was for growing into the man he had become. Corey and Kaitlyn were like my adopted children and I am so thankful for the opportunity to have know Corey. I hope the family can find peace and comfort in all the wonderful memories of Corey.*
