“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Nana
I know your not suffering anymore - which is puts my heart at peace knowing that because it was so painful to see you like that, for Dad especially. But you leaving still is leaving a pain in our hearts. God took my best friend. I still can't get the fact wrapped around my head that you won't be at your house when I walk through the door. I need you to be here to crack jokes with me about the nurses, or to tell me to eat all the cookies in the cookie jar because you bought them especially for me, or for you to give me that surprised smile and tell me "why you just look lovely!" I don't know how I looked lovely in sweatpants, but you sure knew how to make my day. I love you to the moon and back Nana, as I have told you before.

Love you-
Your Caitybug

“ If one would look up the word "lady" in the dictionary you would see the name Inez Rand as the meaning. She always had a kind word-a big smile-a melodic laugh and a twinkle in her eyes for her friends and neighbors. Always gracious-always caring. What a privileg to have known her all these yrs. Her big heart of gold and unselfish ways made a lasting impression for many that she showed her generousness love to. Being a devoted servant for Lord and walking in HIS light-she has been rewarded with a robe and crown. All of Heaven is singing as this precious saint of God made her journey home. Inez your great ability to love will leave a lasting impression on us all and we thank you. Family find comfort and joy to know that we will be reunited again when we cross the finish line in this earthly race and gain the ulitmate prize Heaven. Inez will be there cheering us on as we come through. With much love....S. Counts
