“ Crystal and I were cousins on our mom's side. We were the same age. We spent many fun nights and days together til she moved about age 11 I think. Margaret...I'm so sorry for your list. She was a cheerful brave girl up til the end. She is now in Heaven with your mom and my Grandma. I'm kinda jealous she be at me there. Hugs and love

“ May God hold each of the family just a little closer and give you the peace and comfort you will need in this home going for Crystal. She was always a pleasure to be around and had a smile and joke for all who knew her. Crystal will be missed by many but we can keep her memory alive in our hearts until we meet again.
