“ When I went to work at BAG Corp, I met Norm and Cindy. Norm was my boss. Their love of boating, people and animals will always be remembered. As they faced their illness's, they showed courage and endurance but sadly renewal was not to be. E-mail contact with Cindy, will be sadly missed, as was when Norm passed. May God be with and comfort their Families!##imported-begin##Marilyn Walters##imported-end##

“ We became sister-in laws at a young age and had many great times with L. Terry and Renee. I always felt you had finally found real happiness with Norm. BJ always had fun when he went to Bonham to visit. You raised your two sons to be great men. We will remember and miss you.##imported-begin##Michelle J. Smith##imported-end##

“ I haven't seen you in several years, but still have many great memories of when Terry and I were younger, and you would babysit us. What stands out the most is when Terry pulled the metal sprinkler down, and busted my head open and you rushed me to the hospital. They stitched my head, and I was fine. You were a wonderful person and will be missed. I wish my daughters, Hannah and Lauren, could have met you. Love, Renee##imported-begin##Eva Renee Smith##imported-end##
