“ Mommy, It's Ashley I am just sitting here thinking of you and wishing you were here right now as we are only 2 1/2 weeks from the wedding. I love you so much and miss you terribly. I hope to see you on the other side someday. I try so hard to keep my head held high, but it is getting really hard. This morning on my way to work I wanted to call you so bad like I used to then I realized there is no number for you all I have to do is talk and you'll hear me. I love you so much!! Your daughter Ashley##imported-begin##Ashley##imported-end##

“ Dear Major and Jean, Allan, and Ashley, Over this past month, I have sat down many times to sign this guest book, but the words just wouldn't come. Cindy and I were dear friends for 30+ years, and even with the distance between us, we always stayed close in our hearts. I loved Cindy dearly; she was like a sister to me. I miss her terribly. I pray that God will comfort you, and that your good and precious memories of Cindy will bring you many smiles yet to come. I'm truly thankful that I got to be a part of her life.##imported-begin##Phyllis Caldwell##imported-end##
