“ *Dear Tom and family,*  
*I am so sorry to hear of Cindy's passing. I know you two shared a precious life together and the coming days will often test your strength. Please know that you are in many prayers and that your friends and family can and will help you in this next phase of your life. Cindy will be missed and always remembered by those who knew her. It was my honor to have been one of her co-workers at Forestbrook and Socastee.*  
*Sincerely,*

*Cindy began her journey with cancer a year before I did. We shared the same doctors, and shared the same hopes and fears. She was always encouraging me as I went thru my treatments. The last time I saw Cindy was several years ago walking on the beach with Tom. She was smiling and happy and full of life! That's how I will remember her. My thoughts and prayers are with her family.*
