“ Please allow me to send my sympathy for the family. While I have read the wonderful tributes to Mrs. Jones below, my interaction with her was on a business level. She was the manager of two Food Lion Stores I frequented. The 501 store and the 544 store. When you entered the store her picture was displayed as "Manager". But she was not someone who managed from an office. She was always available to both her customers and to her staff. She could be seen walking throughout the store, interacting with both customers and staff. She was a presence in either store and showed she CARED about the people she was serving. And the staff she mentored to help serve.

She had not been at the 544 store long when I stopped by on the way home to pick up an item. When she saw me, she came over, told me she was now at the 544 store and asked if I (a customer) had any suggestions to make the store better. We talked about the lights in the parking lot and the tall plantings in the beds in the parking lot. It did not allow a clear view from the store to your car. Within a few weeks the overgrown beds were neatly trimmed and the lighting in the parking lot had been upgraded. She cared. About her community, and certainly her family and friends!

Thank you for sharing a part of this wonderful lady with her grocery customers.

GOD's peace to her family and friends.

“ *Mr. Steve, Wayne, Robbie, and family I can not express the sympathy my family and I have right now for each of you all. Mrs. Cindy has always been a blessing to us and made us smile so many time. She will be truly missed not only by the fire dept family but from the community as well. She was always one of the first to volunteer to help with anything we had going on at Cates Bay when we starting out in the fire dept. That never stopped even when we became fulltime. You all are in our thoughts and prayers for God's comfort and guidance to be poured down upon each of y'all.*
