“ Tony, Amy, Missy, and family, I am so sorry about Cindi. She was the nicest person I ever knew and I enjoyed our girl time together. Even though it was a very short time, you were blessed with a wonderful wife, mother, and grandmother. My thoughts are with you and your family at this time. Please have a safe trip home. God Bless##imported-begin##Becki Kochan##imported-end##

“ Cindi, We really got to know one another when we started going to the gym and to kickboxing classes. We would usually have lunch afterwards(usually salad:>) and just talk. You always talked about your girls and grandkids. Yes and occassionally about Tony! Anyone could tell how much you loved them and how they were everything to you. You were a great friend, wife, mother, and grandmother. We will be lost without you, but we are glad you do not have to suffer any longer. I will continue to go to the gym, but it will not be the same without you. I already miss our fun we had...##imported-begin##Becki Kochan and Family##imported-end##
